the principle enunciated in the Govt order of the 4th July 1896 Regarding some elasticity in the case of a place like Dawamalagoda where the English School has been in existence for the past 15 years but the progress of which is not satisfactory which is attributed to the indifference of the teachers He therefore proposes to amalgamate the English School with the Govt Kannadda School and form an A-V School as a Special Case

12. The people of the Village have deposited a sum of Rs 2000 as a Scholarship fund and a Sabaskian by name Mr Padma Setty has built a house worth Rs 6000 for some ten years back and has handed it over for the use of the School. The people also maintain a small library of 60 books They are prepared to place all these at the disposal of Govt in return for the opening of a Govt A-V School there.

Your honour

We the Citizens of Sravanabel-gola Crave your honour's indulgence to humbly approch your honour with our ardent request

We have here a Government Village Elementary School and an Aided English School The Govt School is making a good way, but the other has more than once been a subject to our apprehension of

losing the institution Scarcely any hand Comes here who would put his heart & soul to the work, he has the earthly fear that he would be blessed with no more ety of his income to serve him in his rainy days He therefore makes this a-stepping-stone for his own earthly advancement This and other Causes have Kept this school away from usefulness Our rising generation are growing wild for want of proper guidance at school

There are here mostly gams who as all know are very back- ward in Education Others form a motley of diverse castes, who Could not provide for the Educa- tion of their sons in urban schools where there are teachers paid by

Government and who therefore take
rather greater interest than those
here Moreover the improvement
of English Education here means
the development of our Brass &
Copper industry

To boot this Unique pilgri-
-mage is bordered by many
suburban Villages with a horde
of uneducated people These are
in bad want of Education to be
useful as a nation

We have put forth many
points noticeable in many a
petition we have submitted to
the Inspector General of Education
which file, we beseech your honours
may be bestowed a Kindly glance
upon

To block out these diverse
troubles for luxurious growth of

Education, we requested the Inspector General of Education to beneficently Amalgamate the Government V.E School & the Aroco English School into a Govt. Anglo Vernacular School & thus Ensure the growth of English Education here By way of Compensating, to a little extent, the heavy additional expenditure the Govt. have to incur by this their clemency, we put forth that we would give over to the Govt. a sum of Rs 3000 now deposited in the Government as Poor Scholars Fund of Sivanabelagala

Without Overdoing our request, we Crave permission to withdraw We humbly supplicate that our request may be granted Thus your honour's lemency in granting us our request

we take to be your honour's memen-
-to amongst us

May the Almighty bless your honour with ever-increasing pros-
perity & long life

We beg to subscribe ourselves
your honours most obeorent
and grateful servants

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 8747/431

Sidlaghatta,
Camp, Bangalore, 11 January 1914

From Rao Bahadur
M SHAMA RAO ESQ MA
Inspector General of Education in Mysore

To
C S Balasundaram Iyer Esq, B A ,
Secretary to the Governmert of H H the Maharaja
of Mysore Education and Agricultural Departments

SIR

With reference to Memorandum No 5130 / Ed 213-12 dated the 17th January 1913 from the General and Revenue Secretary to Government and your No,9495 / Ed 374-11-2 dated the 30th May 1912 forwarding petition from the people of Sravanabelgola in Channarayapatna Taluk praying that the Government Village Elementary (Kannada Rap) School and the Aided English School may both be combined and converted into a Government Anglo-Vernacular School I have the honour to inform you that the people of Sravana-belagola are very eager for the education of their children especially in English They have been maintaining an Aided English School at the place for the last fifteen years, but the progress of the school is not satisfactory This is attributed to the indifference of the masters employed in the Aided English School, where there are no prospects of pension or improvement in their pay That the people are really eager for English Education may be judged from the fact that they have some years back collected and deposited a sum of Rs 3000 as a Scholarship Fund, from the interest of which some poor students are being paid scholarships and a certain sahukar by name Gowda Padmasetty (since deceased) built a school house at a cost of Rs 9000 and handed it over for the use of the schools some ten years back The townspeople also maintain a Juvenile Library consisting of about 60 good books

They now pray that Government may be pleased to take over the whole, i e the school, Library and the Scholarship Fund of Rs 3000 and in return grant them a Government Anglo-Vernacular School Under these circumstances and considering the importance of Sravanabelagola both as a place of pilgrimage and of trade, I recommend that Government may be pleased to sanction as a special case the conversion of the Village Elementary School at Sravanabelagola into a Government Anglo-Vernacular School, as the principle laid down in Government Order No 162-172½ / Ed 11 dated the 4th July 1896 needs some elasticity in a case of this kind I also recommend that the Vernacular Classes above the II may also be maintained as there will be a large number of Kannada students who may prefer appearing for the English Lower Secondary Examination after passing the Kannada portion

The following establishment may therefore be kindly sanctioned for this combined school the cost being charged to the Village School Fund -

1	Head Master ----------	Rs	30
1	English Asst Master ----------	"	25
1	Asst Master ----------	"	20
1	Do ----------	"	15
1	Do ----------	"	12
2	Do on Rs 10 each ----------	"	20
1	Peon ----------	"	6
1	Sweeper ----------	"	5
	Contingencies ----------	"	2
		Rs	135 monthly,

or Rs 1620 annually

Against this sum of Rs 1620 a sum of Rs 1116 as shown below is available -

1	The present establishment of the Village Elementary School ----------	Rs	58
2	The monthly Grant in aid of the Aided English School paid by Government --	"	15
3	The fee collections on an average ------	"	20
		Rs	93 monthly

or Rs 1116 annually

Thus the net cost to Government will be Rs 504 annually or Rs 42 per month

I request the favour of early orders in the matter

I have the honour to be,

Sir,

Your most obedient servant,

M Shama Rao.
